

CITY OF LODI

COUNCIL COMMUNICATION

AGENDA TITLE: Approve Measure K Contract for Multimodal Station Construction between San Joaquin County Council of Governments and City of Lodi

MEETING DATE: October 21, 1998

PREPARED BY: Public Works Director

RECOMMENDED ACTION: That the City Council approve the Measure K contract, between the City of Lodi and the San Joaquin County Council of Governments, for construction of the Lodi Multimodal Station; and authorize the City Manager to execute the contract.

BACKGROUND INFORMATION: The City of Lodi is utilizing four different funding sources for the construction of the Lodi Multimodal Station: Transit Capital Improvement Funds (State of California), Transportation Development Act (State Sales Tax), Federal Transportation Administration formula funds (Federal Taxes), and Measure K (Local Sales Tax). The Measure K funds require a contract between the City of Lodi and the San Joaquin County Council of Governments.

The contract requires the City to identify the project scope, all of the funding sources for construction, and an expected timeline for release of Measure K funding sources. In the contract, the City states that construction is expected to be completed between July 1999 and September 1999.

The contract is on file in the Public Works Department.

FUNDING: Not applicable.
